I don't know much about the pet I want and have never had a pet. Cats do need daily interactions with us and will enjoy playing games but you might find a family member or friend might like to pop in regularly to do this with your cat. Hermit crabs, though popularly sold as souvenirs, are often unsustainably harvested from the wild and are sold with false care instructions that eventually lead to their premature death.

Most puppies need to eliminate every two hours or so. They require regular vet care. They require large amounts of land, the construction of shelters, and specialized care. If you're too busy to commit to this, and can't change your lifestyle to give the time you will need to dedicate to rabbits, why not think about a different pet?
