While its plot can be considered a simple adventure or mystery, Banks' real strength is in realising a genuinely alien futuristic society which at the same time uses elements of the contemporary world, at times exaggerated, in unfamiliar or extreme ways. The protagonist - Adam Reith - a stranded earthman has many adventures, encountering the various inhabitants of Tschai, a much fought over planet. Read about our editorial guiding principles and the enforceable standard. The alien a Slaver had been in stasis and is unintentionally released and then sets about trying to enslave the earth. Although they are three books, I see them as one long book, broken into three parts because of the nature in which they were purported to be written by a single divine force working Saving the World human agents. The story itself is short, enthralling, and easy to read.

View all 29 comments. Sweet tears. After all, what could be more sci-fi than a plot in which our hero must struggle against a mad scientist, in order to restore a world of order and 'reality'? Space rather than science fiction, this is a

penetrating look at humanity through an alien's eye.
