About the Annual Forum - The Romanian Presidency of the EU Strategy for the Danube Region

This study examines the ways modern presidents have organized their administrations. Primarily it concerns the White House staff and secondarily those other.

Steve Hess's *Organizing the Presidency* is not just a book but an institution – one that Brookings is proud to be associated with. When the first edition appeared.

President Trump differed significantly from other recent presidents in his management of the White House staff, domestic cabinet appointments.

Despite President Trump's tweet that there was "no WH chaos," his administration suffered from considerable disarray in his first six months in.
