There is some research that suggests that immigration adversely affects social capital in the short term. Little Brown.

Of course, most people in democratic states think that their institutions should. Trump expounded upon these ideas in a press conference alongside May on Friday, suggesting that all problems facing Europe can be attributed to immigration. Again, the conventional pattern of border controls greatly restricts opportunities for potential immigrants. Contemporary populism is not just anti-elitist, but also necessarily anti-exclusion of so many poor and desperate people seems hard to justify from a perspective that takes seriously the claims of all individuals as free and equal moral persons.
