Own or manage this property? The largely undocumented contributions of women to the west were acknowledged in law; the western states led the United States in granting women the right to vote, beginning with Wyoming in 1909. Please try again later, or contact the organizer directly. Anyone who has read this book will know that while the number of women in the workforce grew from 26 percent to 36 percent between 1900 and 1920, it would drop back to 28 percent in 1930. As they moved Westward, American culture changed. Siegel, Marcia B. Fantastic music to dance to. American Speech.
