The October 28 barangay elections were postponed in Bohol because of the devastation wrought there by a magnitude 7.2 earthquake. Whereas OVS sentences potentially are ambiguous with respect to grammatical functions, in the passive, the initial NP can only function as an intransitive subject which expresses the Undergoer role. B:No-AnnieHallIsawonlyyesterday. When no other means of identifying grammatical functions are available, grammatical functions are assigned on the basis of word order a phenomenon referred to as word order freezing see e. These findings indicate that writers actively avoid direct object fronting when it potentially results in an ambiguity, and provide evidence for the hypothesis that writers are inclined to actively avoid ambiguities more generally. Speakers and writers less frequently use the potentially ambiguous OVS word order when the grammatical functions of the NPs cannot be determined on the basis of an animacy difference between the NPs.
