Here I consider models and metaphors of the sacred that emerge in ritual practice and mythic accounts so we can acknowledge the concepts which traditionalists both bring to and use to shape their experience as well as the form in which they report it. I understand and interpret it as theologically distinct, with its own logic and processes.

This dimension of language, according to Lima Soto, contains a primordial function. We even are asked to pray for the national bus companies, for the safety of the drivers and passengers on the highways. There have been tremendous shocks for me—the murders of my brothers and my people—as well as trying to understand the people in the United States.

Roosters crowed, dogs barked, and children giggled, peeping over low fences. Molesky-Poz draws on in-depth dialogues with Maya Ajq'ijab' keepers of the ritual calendar her own participant observation, and inter-disciplinary resources to offer a comprehensive,

innovative, and well-grounded understanding of contemporary Maya spirituality and its theological underpinnings.
