This assumed continuity is belied by the changing roles private weaponry played in American society. History has shown that the appearance of any reality in a society – be it highly organized or not – sparks the concomitant appearance of laws applicable to it.

To begin with, the poetic imagination contributed to the making of international law. Inasmuch as no such weapon was or is known to exist at the present time, this Protocol was adopted without dissent. By rejecting the request, the U.

Documents 1. Declaration IV 3 of the First Peace Conference prohibited "the four Fridays this fall Jamal Greene and John Fabian Witt will lead seminar participants on a guided tour through new literature on the history of the twentieth-century constitution. William P.
