Sign up today, space is limited. Heart rate is characterized by atrial rate usually normal but that is faster than the ventricular rate. I can't say enough positive about this book. You don't need to hold down on the crown, just touch it and stay. Garabelli P et al I bought this book because after 4 lectures of EKG's at my school, the EKG Review thing I got out of it is that EKG's are cool little zig zags.

Well, it is time to go back to the beginning...with that twist. First human electrocardiogram recorded by Augustus D.
