BY Rebecca Pahle. Beware of Inca gods in a bad mood! Let's say you're correct; he was possessed from the moment he took that drink and the photo takes place in the future. When it comes to the continuity, I believe it was done to provoke feelings of fun. Not to be confused with the *Shining* Series of video games. As an example, if I'm designing a poster for a movie and I want to use three different sizes of typography, I would use the sizes: 13 pt, 21 pt and 34 point. Feedback Video Examples: The numbers are there and I do believe they're supposed to be also increasing the power of the ability to 'shine' in such a way that it can effectively justify anything you want.

Interesting stuff.
