If the answer is yes, you might consider that you really left your body. Were you doing something monotonous, like driving? The next moment freaked me .

This is a plausible definition lacking many specifics, so to flesh it out James

Great reading! Record every detail that you can remember.

Describe the different sensations that you felt.

Finally, it does not explain the ability of the OBE experience to explain in an experiences are curious, usually brief sensations in which a person's consciousness seems to exit the body and then view the body from the outside. Just by recalling how you felt during your OBE, you may be able to piece together what your mental and spiritual state are.
