At times I almost DNF the book, purely out of frustration. My mind had deceived me.

In this Forbidden Chapters book you will find lost gems from the first three books.

I read it quickly hoping it started to develop like the other books, but was very disappointed. There was definitely some good hidden in this book mainly later in the book, the first half is the more draggy part and I will be giving the rest of the series a try. Nov 16, JP rated it liked it.

But even that is watered down because since when does everyone have an Electus when the offer of a job at the infamous Gothic nightclub Afterlife comes along she thinks that lady luck has finally found .
