The DNA exonerations of the innocence projects and the convictions and sentences quashed following CCRC referrals reveal a terrible injustice. Griffin, Lissa.

BythetimeadefendantraisesaclaimofwrongfulconvictionintheUnitedSta Any determination of disputable fact may, the law recognises, be imperfect: the law aims at providing the best and safest solution compatible with human fallibility and having reached that solution it closes the book. There is no space in this article for an extended comparative analysis to justify this claim, but the claim is relatively modest, and I provide a brief outline of the reasoning. This raises a question of definition which, surprisingly perhaps, is far from straightforward.

ItappearslikelythattherearedozensofinnocentdefendantsconvictedinM law knows, and we all know, that sometimes fresh material may be found, which perhaps might lead to a different result, but, in the interest of peace, certainty and security it prevents further inquiry. The previous section highlighted the difficulty that a wrongfully corrected defendant faces in overturning a conviction on the basis of factual error.
